**Re: Postponement Request - BZA Case No. 20374 – 3617 T Street, NW**

Dear Chairperson Hill and Members of the Board:

I am writing on behalf of the Applicant in the above-referenced case. The Applicant had previously asked for a postponement on December 23, 2021, based on comments from the Office of Planning that they would be undertaking a revision to the Regulations that would clarify that this relief is a special exception. We have recently been informed that the expected timing for that revision is fall 2022 and therefore, we are asking for a further postponement.

Thank you for considering this request.
